## BEAUTIFUL IDLEWILD.

There was a meeting of lot owners in Chicago, which is known as the Idlewild Lot Owners Club, the only exclusive resort for colored people known in the world, and as Kansas City was not represented at the meeting they extended an invitation to the Hon. ## A GOOD BUSINESS MOVE.

Many colored people own automobiles in Kansas City and environs. They must be housed in a garage at home or elsewhere; they must be repaired at home or elsewhere. It becomes necessary in case no garage is at the residence and no repair can be done there, to find such a convenience elsewhere. Such an establishment has been opened under new management at 1420 Woodland avenue.

The men back of this garage and training school are anxious to give service to the entire public. If you store your car there we want it absolutely safe from harm. If you have your car repaired there, we want it to come out whole and not ruined forever.

If you want to learn to drive, we teach you in the easiest, safest, simplest manner. If you own a car bring it to us and we will teach you how to operate it at least expense to yourself.

If you desire to buy a car get us to give you expert advice on the purchase. If you want a nice car that looks right to spend an hour or so in these hot evenings and hotter days, call us and we will give you a car that will give you comfort, pleasure and at the same time a modest and dignified appearance.

Now we ask the public to give us a fair trial; we are in our infancy but we shall stretch every muscle to give you absolute satisfaction.

We want to make our Automobile Home and School at 1420 Woodland avenue, a place reliable, well equipped and a credit to the mechanical genius of the race.

Help us—Try us—Call upon us now. Teaching—Repairing—Storing. For rates call East 783, Bell phone.
